

Surface Area Rap

Wrapping gifts is what we do,
So now we're here to teach you, too.
So grab a box. Get ready to roll
As we give you an awesome show.
It's surface area. Ya! Ya!
It's surface area. Ya! Ya!

Find the area of the front.
LENGTH X WIDTH
Find the area of the back.
LENGTH X WIDTH
Find the area of the top.
LENGTH X WIDTH
Find the area underneath.
LENGTH X WIDTH
Find the area of the right.
LENGTH X WIDTH
Find the area of the left.

Now add 'em all up.
Add 'em! Add 'em! Add 'em!
Add 'em all up.
All six sides.
Add 'em all up.
Add 'em! Add 'em! Add 'em!
Add 'em all up.
All six sides.

Now take your box, and square those units.
Now you know there's nothing to it.
Just do it! Ya! Ya!
Just do it! Ya! Ya!
Just do it! Ya! Ya!
That's a rap.
